PUBLICATION

ACADEMIC YEAR 2012-2013

Research Publications

1. D. Kamalakar, Asst. Professor, Dr. L. Nageswara Rao, Associate Professor, K. Siva Prasada Rao, Asst. Professor and Dr M. Venkateswara Rao, Professor & Head “Studies on Drying Characteristics of Prawn and Fish”, Journal of Chemical, Biological and Physical Sciences, pg 1972-1982, Vol. 3, No. 3, May 2013- July 2013, E- ISSN: 2249 –1929
2. L. Nageswara Rao, Associate Professor, G.Prabhakar, Professor & Feroz Shaik , Professor “Biosorption of Lead Ions From aqueous solution By FicusBenghalensisL: Equilibrium & Kinetic Studies”, Asian Journal of Biochemical and Pharmaceutical Research pg 158-169, Vol. 3, Issue 1, Feb 201. ISSN: 2231-2560.
3. Dr. L. Nageswara Rao, Associate Professor“Adsorption of Lead and Zinc from aqueous solution using T. Catappa. L as adsorbent” International Journal of Engineering Research Science and Technology” pp. 65-76, Vol: 2, No: 2, May 2013, ISSN: 2319-5991.
4. Dr. L. Nageswara Rao, Associate Professor, Dr. G.Prabhakar, Professor "Waste minimization in the Chemical Process Industries-A Review" International Journal of Chemical, Biochemical and Physical Sciences, pg. 1594-1601, Vol. 3, No. 2, April 2013, E-ISSN :2249-1929.
